BATTERIRETUR

CERTIFICATE FOR PRODUCER RESPONSIBILITY 2026

Issued to

OJ ELECTRONICS A/S

VAT no.: 10643597

Registered Product Categories	Registered Battery Chemistries
Portable batteries	Lithium-based, Alkalisk

It is hereby confirmed that the company's extended producer responsibility for batteries is managed by Batteriretur in accordance with applicable Danish legislation.

Through its membership of Batteriretur, the company assumes a shared responsibility for ensuring the responsible handling of batteries and supporting increased and improved recycling.

The company has reported the necessary information on quantities of batteries placed on the market.

The certificate is valid for the period 1 June 2026 – 1 June 2027.

Morten Harboe-Jepsen, Direktør
